After picking you up from your hotel early in the morning, we are going on a 4 km hiking to the Red Valley.

The Red Valley is one of the most spectacular valleys of Cappadocia with different shapes of rock formations in variety colors. You may find the hidden rock-cut churches in the valley.

Then, we will go to the Rose Valley which is named from the rose-colored rocks that vary in hue and intensity after years and years with the effect of seasons and weather conditions.

We will visit several cave churches. Then, we will go to Cavusin where there is an old Christian village. The wall paintings in the St.John church are date back to 5th-8th centuries which makes it the oldest church in Cappadocia.

After our lunch in Pigeons valley, we will visit the underground city of Kaymakli that was carved out from a rock hill called Kaymakli Castle.

Kaymakli people built their own homes around the underground city tunnels. The underground city was originally carved out as eight floors, however only 4 of the floors are visitable nowadays. The capacity of this city back in time was around 5000 people during the war time.
