4 Day Fethiye To Marmaris Cabin Cruise

This 4-day blue cruise from Fethiye that heads on down to another popular seaside town in the Southern coastline of Turkey is one of the most popular for those with total relaxation on the agenda. This cruise is the perfect way to relax and get to see some of the most pristine coastline in Turkey. To start the cruise you will go through the 12-island region where you can stop and swim at some of the most beautiful bays around Fethiye. Along the way you will get to swim and relax in some secluded bays or check out ancient sights along the way with some Lycian tombs scattered around. You will also get to visit one of the largest stretches of beach on the peninsula at Kumlubuk Bay. There are optional tours along the way with the chance to go take a mud bath at Dalyan, or get stuck into the water sports on offer at Ekincik Bay. All this and much more awaits you as you submerge yourself in the Fethiye to Marmaris cruising experience. Your gulet cruising experience down to Marmaris will take 4 days and 3 nights. You board a standard Turkish yacht, also known as a gulet. All cabins have double beds and its always 2 to a cabin unless you are a solo traveller and have paid the single supplement. The cabins all have their own bathrooms and you are provided sheets and blankets. The standard gulet is a great way to see the coastline at a pretty good price. This blue cruise experience tends to attract a more quieter crowd so you will be guaranteed some real time out on this cruising holiday experience.
