4 Day Fethiye 12 Islands Blue Cruise

Fethiye is one of the most popular spots when you are thinking of a blue cruise holiday. Departing Fethiye every day in summer there is going to be a gulet cruising holiday that will suit your needs. Surrounding Fethiye are many beautiful bays, swimming spots and a scattering of islands that make up the waterways. These highlights are a reason Fethiye is on the major tourist map in Turkey. This 4-day, 3 nights blue cruise option takes you around the highlights of the Fethiye island region. You depart Fethiye to head onto some of the more quiet bays to catch your first swim and snorkel in the Med. Over the next few days, you will get to visit the highlights of the region including Aga Limani Bay, Tersane Island and the infamous Cleopatra's Bay. Spend your time either enjoying the beautiful waters or pack your walking shoes and head onto the land to go for a trek. There is also an opportunity to climb a little higher and get some magnificent views of this unspoilt area of Turkey. This gulet cruise gives you the chance to soak up the best of the Gulf of Fethiye and all you need to do is sit back and let our crew look after you, while they show you the beautiful bays and islands that are just perfect for swimming or just lazing on deck. The 12 Islands Blue Cruise is usually a route that we run at the start or end of the season. You will get the chance to see this area whilst onboard one of our beautiful Turkish gulets. With all the creature comforts that a standard gulet offer you will be spoilt as the yachts have all had recent renovations to finish them off to a very high standard.
