5 Day Hunting Bezoar Ibex Package Kayseri-Aladaglar Tour

Turkey is a very important destination for Bezoar hunters, with its great population and excellent trophy quality. Depending on the area, November and December are the rutting season and these months, along with January and February are the most suitable for hunting. Legal limit of trophy size anyone is allowed by Game law is 100 cm (39½ inches) while average size can vary between 40-44" from area to area. Anything above 45" should be regarded as a very nice trophy although 50" considered to be the magic number. Get ready to enjoy with Hunting tour of us.
