# 6 Day Amasya City & Cooking Tour

Amasya; There is no way to describe and justify the natural beauty of the Black Sea fully but if you are looking for a place that blends the best of Mother Nature and the history of former civilizations, Amasya seems like a tailor-made destination. Amasya with whitewashed, wooden-framed houses overhanging the limpid waters of the Yesil?rmak (Green River). Waterwheels turning slowly in the sun. Tombs of aching antiquity pitting a steep rockface topped with the remains of a medieval castle. This is Amasya, by far and away, the most picturesque of all the Central Anatolian towns.
