The most important food unique to the district is Ayvalik Toast, which is prepared with ingredients such as sausage, different kind of sausage, cheddar, pickles, mayonnaise and ketchup. Another important food is the Hosmerim dessert, also known as Hosmerim,

which is made widely in the province of Balıkesir. One of the important dishes of Ayvalık is a fish type known as Papalina (sprat fish), which is generally consumed as an appetizer and its fries made with olive oil. The seafood appetizers and olive oil dishes form the basis of Ayvalık cuisine since it is on the sea shore.
