Day 1 : Daily Cappadocia Tour from Ankara

Lunch Included

We will drive about 3,5 hours before we reach Cappadocia. On the way, we will stop for breakfast (breakfast is extra). We will start our tour with OZKONAK UNDERGROUND city. Back in the past, the local people in this region lived in a number of underground cities to hide from their enemies and Ozkonak is a good example of the mentioned cities. Next stop will be a ceramic shop where you can see and even practice the local art. Then, we will head for lunch. After lunch, we will drive by CAVUSIN where old Greek Houses were located and then we will reach a special place that is in Unesco's list, GOREME OPEN AIR MUSEUM. Cappadocia was a very important religious center in early Christianity and this museum, which used to be Christian religious education center, has special examples of Christian Frescoes. Then, we will visit ESENTEPE which is one of the best panorama spots in the region, perfect spot to take great photos. Next stop will be a carpet weaving center where you can see how local carpets are woven. After that, we will visit IMAGINATION VALLEY where you can see naturally shaped rocks that look like some animals. Next stop will be THREE BEAUTIES, one of the well-known symbols of Cappadocia, here you can see some of the spectacular Fairy Chimneys of the region, another perfect spot for photos. After the tour, we will drive back to Ankara and we will drop you back to your hotel.

We hope your tour was a memorable one and we look forward to seeing you in the future on another our Turkey tour. Thank you for choosing us.
