ITINERARY

Day 1 : DAILY EAST BINGOL TOUR

We will pick up you from your hotel and start your city tour. Floating Island in Bingol is a wonderful gift of Mother Nature. Its formation and existential structure is quite interesting to look at. The Floating Island is located at the Aksakal region of Hazarash Village contiguous to the borders of Solhan District. What is most fascinating about the island is that it can freely and wonderfully move about the whole lake without remaining fixed in one particular spot. Cave of Zag is located on a steep cliff between Gokceli and Yenidal villages, on the banks of Murat River.

The side facing the Murat River is 200-300 meters above the ground and carved from the rocks. The cave consists of many rooms on three floors connected by the round chimneys between them. It was ruined throughout time, but there are still 17 rooms that preserved their structure today. Cir Waterfall located at 8 kilometers to the center of Illica town, the waterfall passes through the rocks, known as the “Grand Cir Stone” among local people, and falls from approximately 50 meters, creating an amazing view. The natural caves surrounding the waterfall are a home to wild birds, and is a different attraction to the tourists. Kos Thermal is 18 kilometers north east of Bingol. This resort is situated on the highway to Karlioiva in eastern Anatolia. You are free to enjoy exciting water sports in the thermal springs of this resort and enjoy a wonderful holiday. The water of the thermal springs has a temperature of 47 degree centigrade with a pH value of 6.1 and is purely hygienic. The beneficial effect of the thermal spring is that its water helps in treating abnormal physiological conditions like rheumatism, cardiovascular, gynaecological disorders, problems in the respiratory tract and unwanted psychological and corporeal weariness. After tour we drop you back to your hotel.

We hope your tour was a memorable one and we look forward to seeing you in the future on another our Turkey Tour again. Have a safe trip back home and thanks for choosing us.
