ITINERARY

Day 1 : DAILY CANKIRI CITY TOUR

Pick up from the hotel after breakfast. It used since the Hittites, Turkey's largest, the world's historic salt cave in the rock salt crystal samples with, we visit the galleries on foot in great caves unique to the dock. We have the chance to see the salt cart that was used about 100 years ago, donkeys over 100 years old, lanterns, digging, shovel, old wagons that pulled this car. There is almost no moisture in the cave.

After the salt cave tour, we come to Cankiri center and go to Kale and Hidirliktepe . We watch Cankiri from above. The castle is on Karatekin Hill in the north of the city. The castle, which was used in the period of Romans, Byzantines, Danishmends, Seljuks and Ottomans, became famous for its robustness. There are tunnels from the Roman period and the tomb of Emir Karatekin, one of the commanders of Danishmend, and a glass viewing terrace in the castle. After our trip, we will have our lunch consisting of dishes unique to Cankiri cuisine.

After the meal, we will see Ta? Mescit, (The Great Mosque, Civitcioglu Madrasa will be seen from the outside because it is in repair), Wheat Market Madrasa, Cankiri House - Museum, Clock Tower and the old street texture and go to the Alpsari Lake in the evening. The people of the village, where the Alpsari Pond is located, had been boat-boating in Istanbul from the 1700s until 1990. Return to the hotel after a short break by the lake. Overnight in Cankiri .

We hope your tour was a memorable one and we look forward to seeing you in the future on another our Turkey Tour. Have a safe trip back home and thanks for choosing us.
