Day 1 : DAILY DENIZLI CITY TOUR

Pick up from your hotel in Denizli and depart for Denizli City Tour. We will visit BABADAGLILAR LOCAL MARKET which is a very popular place for people in Denizli. As the city is well known with its textile industry this multistorey market is a perfect place to see local and traditional textile products. Next we will visit the KALEICI MARKET. This spot has been active in commerce for the last 1000 years and here you can see traditional local handicrafts. Since we are in Denizli we will also visit a CARPET CENTER as Denizli is well known with this local art.

After that you will have free time for lunch. Next we will head for CABLE CAR. We will take the cable car to BAGBASI PLATEAU which has an elevation about 1300 m. The plateau is quite impressive with its beautiful green nature and with its attractive panoramic scenery.
