ITINERARY

Day 1 : DAILY CAPPADOCIA RED TOUR

Lunch Included

Marvel at the beautiful Byzantine frescoes and the stunning landscape of Cappadocia in your Cappadocia Red Tour which will take you to Goreme Open Air Museum, Uchisar, Avanos, Pasabag, Rose Valley and more. We start the day by visiting World Heritage-listed Goreme Open Air Museum and its rock cut-Byzantine Orthodox churches. We continue on to Uchisar where you will have an opportunity to take photos of Uchisar Castle before we stop for lunch.

After lunch, we visit Avanos, overlooking the Kizilirmak (Red) River, the longest river in Turkey. Clay from the silt of the Red River is used to produce the pottery for which Avanos is world-famous. The pottery trade of Avanos dates back to the Hittites. You will have an opportunity to watch the potters at work using techniques that have not changed in generations.

The tour also visits Pasabag which translates to "the Pasha's Vineyard". Also known as the Moks Valley, Pasabag has some of the most eye-catching rock formations in Cappadocia and was a hideaway for some Simeon Monks in the 5th century. We finish with a visit to Devrent Valley whose landscape is likened to being similar to a lunar landscape. After end of the day, our tour ends and we leave our valued guests with sadness.

We hope your tour was a memorable one and we would like to see you in the future in one of our tours again. Have a nice trip back home and thanks for choosing us.
