ITINERARY

Day 1 : CAPPADOCIA HOT AIR STANDARD BALLOON TOUR

Cappadocia is known around the world as one of the best places to fly with hot air balloons. The spectacular surrealistic landscapes combined with excellent flying conditions allow the balloons to gently drift over and between fairy chimneys, pigeon houses hewn into the unique rock formations, orchards and vineyards – through impressive valleys, each with distinctive rock formations, colors and features – and then float up over rippled ravines for breathtaking views over the region.

We offer 3 different types of balloon flights in Cappadocia – according to flight duration and services.
STANDART BALLOON TOURS (1 HOUR)

The Standard Balloon Tour offers a minimum one-hour flight time in the air. You will be collected from your hotel early in the morning, usually before sunrise and driven to the take-off site. While you are having a light breakfast, you will watch the inflation of the balloon then get a passenger briefing which

explains basic rules & safety measures for the balloon flight. Then it's time to climb into the basket and highlight of your Turkey trip begins! The take off is gentle – soon you'll be taking hundreds of pictures over the valleys of Cappadocia. After the flight lands, there is a small celebration with champagne and you will receive your flight certificate.
