## ITINERARY

### Day 1 : CAPPADOCIA HOT AIR VIP BALLOON TOUR

Cappadocia is known around the world as one of the best places to fly with hot air balloons. The spectacular surrealistic landscapes combined with excellent flying conditions allow the balloons to gently drift over and between fairy chimneys, pigeon houses hewn into the unique rock formations, orchards and vineyards – through impressive valleys, each with distinctive rock formations, colors and features – and then float up over rippled ravines for breathtaking views over the region.

We offer 3 different types of balloon flights in Cappadocia – according to flight duration and services.

#### VIP BALLOON TOURS (3 HOURS)

What better way to celebrate that special occasion, be it an anniversary, birthday, wedding any other important event, than by taking a balloon flight just for two in a small balloon. Our VIP balloons are different from the other passenger balloons flying in Cappadocia. It only has room for the pilot and two passengers in the basket, so your flight is a very personal experience which can be tailored for you and your partner. The VIP flight offers all services VIP, like private transfer from your hotel to the launch site, special drinks and refreshments on the launch site whilst the balloon is being inflated, a gentle balloon flight for two people lasting around 3 hours. champagne and refreshments after landing, then transfer from the landing site back to your hotel in your personal transport. During the flight you will, if you wish, have an opportunity of trying your hand at flying the balloon with hands on experience under the guidance of your pilot.
