Day 1 : DAILY SCUBA DIVING IN FETHIYE

Meet with your tour guide at the hotel lobby at 08:30 am. Explore the depths of the cleanest part of the mediterranean. The crystal-clear waters along the shores of Fethiye offer the ideal location for scuba diving. Mediterranean hosts a wide variety of fascinating sea-life such as fish, octopus, crayfish, lobster, eels, cuttlefish and if you're lucky sea turtles, rays and dolphins. There are no negative currents along Fethiye's extensive shoreline, this makes it easy and safe to master this sport. There are many experienced dive centres in the area, that arrange daily and nightly diving tours throughout the year, for both beginners and skilled divers, as well as extensive courses based on PADI, CMAS and BSAC. To suit all tastes, there are approximately twenty dive sites around Fethiye. These sites vary from shallow waters to impressive underwater caves, it is also possible to perform an archaeological dive.
