## ITINERARY

### Day 1 : DAILY FETHIYE PARAGLIDING TOUR

Meet with your tour guide at the hotel lobby in the morning Babadag (Father Mountain) towering above the magnificent Oludeniz on the Southwest coast of Turkey is considered one of the best flying points in the world for paragliding. A geological marvel and a "world heritage" site, due to its rich flora, Babadag just happens to have incredible thermals and ideal conditions for paragliding flights. This rare opportunity to take off from such a fantastic backdrop as Babadag, offering breathtaking views over Oludeniz lagoon, is a spectacle in itself. That coupled with the opportunity to fly tandem for up to 45 minutes is virtually unheard of in any other location in the world, these all add up to one of the best trips, and should not be missed!
