Day 1 : DAILY FETHIYE OLUDENIZ TOUR

Meet with your tour guide at the hotel lobby in the morning and your tour will start with discovering the fascinating history and beautiful sights of Fethiye. You will begin with visiting the ancient rock tombs from the Lycian period. This tomb was the burial place of Amyntas who would have been a person of high status. Here you will get a chance to explore around the tomb and take photos of the stunning vista of Fethiye below. From the rock tombs, you will head to Kayakoy village where the Ghost Town is located. Here you can explore this abandoned Greek village, with over 100 houses in ruins with a few churches at different levels across the town. Here you will enjoy a meal at a local restaurant right in the middle of the village. In the afternoon you will head to Oludeniz beach, here you will be able to relax on the beach and swim in the crystal clear Mediterranean waters.
