Day 1 : Daily Manavgat River Cruise

Lunch Included

Welcome to Turkey. Meet with TravelShop Turkey staff. We depart to Manavgat River for Cruise Tour. A day trip to Manavgat is recommended to explore its rich history and attractive bazaar where you can pick up everything from homemade food to souvenirs. Not only is this place full of interesting things to discover, you'll also find that the bustling town is near the famous landmark; The Manavgat Waterfalls. The best way to take in the natural beauty of the falls is by boat. Spend a day on the Manavgat River Cruise and sail along the water to see stunning scenery as well as the town's delightful charms. The falls are low but span a huge length across the river, enjoy listening to the power of the water surge over the rocks below. After photo opportunities you can enjoy a relaxing boat tour down the river and see the cold water mix with the warm. You'll get a chance to swim in the cool river water and see some of the fish that tend to breed in the area, such as trout. A delicious meal will be served alongside entertainment on the boat before heading inland to explore one of the country's biggest mosques and Manavgat market. After the tour, transfer back to Airport or hotel. We hope your tour was a memorable one and we look forward to seeing you in the future on another Tour.
