Day 1 : DAILY IZMIR TOUR FROM KUSADASI

Welcome to Turkey, Izmir Airport or your hotel. Meet with TravelShop Turkey staff and transfer to Izmir Centre, Izmir Tour being the third biggest city, Izmir (ancient name Smyrna) is known as the “pearl of Asia Minor” since ancient periods. Your tour will start with The clock tower, The clock tower was designed by the Levantine French architect Raymond Charles Père and built in 1901 to commemorate the 25th anniversary of Abdülhamid II's accession to the throne (reigned 1876–1909). The clock itself was a gift from German Emperor Wilhelm II (reigned 1888–1918). It is decorated in an elaborate Ottoman architecture style. The Ancient Asansor Building is situated in a different quarter of the city. As in the past, it still symbolizes the brotherhood of different ethnic backgrounds and religions. While having your morning coffee, you may listen to your guide telling you the history of the area. Your second stop will be the Governmental Agora, dated to the Hellenistic period. It is very exciting to visit the place where Izmir once governed during the Hellenistic Period. Then we walk to Hisaronu Camii through local fish & vegetable market, kemeralti (lunch free time in kemeralti) Kemeralti is one of the most crowded quarters of the city.
