ITINERARY

Day 1 : DAILY HORSE SAFARI TOUR FROM KUSADASI

Meet with your tour guide at the hotel lobby in the morning and we will take you to Horse Safari. Horse safari is one of the most enjoyable and special tours that can be done in Kuşadası. This activity, perhaps, will be one of the firsts in your life, and when you spend time in nature, you will forget the city noise and stress. Even if you do not have riding experience, you do not have to worry. Our horses are specially trained safari horses and you will learn how to ride quickly with the instructions of our professional guide. Our guests are briefly informed about the surroundings, tour and horses and given protective helmets. According to height, weight and experience, our guests are given horses to be ridden, a short integration and trial tour are done before the tour. Our professional guide starts our tour from the farm. We arrive in Pamucak beach by following a pine-scented forest path between Arvalya and Pamucak. This route takes about 1 hour. After a short walk on the beach with the horses, we take a break in the cafe on the beach and our guests can relax on the sun loungers of the cafe or swim in the sea to cool off. After spending time on the beach, we return by using the same route. Our horse safari that takes a total of approximately 3 hours is available every day in summer and winter. After the tour, transfer back to your hotel. We hope your tour was a memorable one and we look forward to seeing you in the future on another our Turkey Tour. Have a safe trip back home and thanks for choosing us.
