ITINERARY

Day 1 : TURKISH BATH IN KUSADASI TOUR

Meet with your tour guide at the hotel lobby in the determined time. The Turkish bath is a place, where physical and spiritual cleaning takes place and is hundreds of years old. In 1741 Istanbul built its first public bath house in Sultan Mehmet. Natural lighting and izonic colored tiles create a relaxing atmosphere. When entering to Turkish bath, you leave all the hastiness of daily life outside, you exchange your clothes for a waistcloth and adorn the traditional clogs. Inside temperature reach up to 50 degrees celcius under the central dome of the building. This heat and humidite opens the pores of body

and extracts the fatty oils of the body in preparation for your scrub down and massage by the attendant. After a gentle soap massage you leave the bath place with towels and pass to resting room. Here, tea is offered to you. You leave the Turkish Bath renewed, beautiful and refreshed. Transfer back to your hotel. Thank you for choosing us and we hope you have a memorable time in Turkey. We look forward to seeing you in the future on another adventure with us. After the tour, transfer back to your hotel. We hope your tour was a memorable one and we look forward to seeing you in the future on another Tour. Have a safe trip back home and thanks for choosing us.
