ITINERARY

Day 1 : Daily Thrace Grape Tie Tour

Pick you up at 08.30 from your hotel for a daily tour of Tekirdag. Thrace region of Turkey was founded on a highly productive land case. A very wide area starting from Kirklareli and extending from Tekirdag and Sarkoy to the tip of Gallipoli is full of vineyards and wine producers operating here. Some of these are small boutique businesses that strive to survive, while others are highly developed businesses with larger facilities such as Doluca, Kayra, Sevilen, Mey. We begin our tour in the Tekirdag Sarkoy region, where we can see the texture of the beach and the settlement. In today's part of our tour, we will visit two different manufacturers. We will receive extensive information about the vineyards

and their production, welcomed by the authorities of the facilities. After receiving the information that we received in the vineyards, our guests, who previously purchased an additional wine tasting, can do a wine tasting. In our tourist plan, we will also get to know the Mufte and Sarkoy regions and do not forget to visit the wine museum.

Around 17:00 – 18.00 we will depart back to your hotel.

We hope your tour was a memorable one and we look forward to seeing you in the future on another tour. Have a safe trip back home and thanks for choosing us
