ITINERARY

Day 1 : Kusadasi Cruise Excursion - Sirince Village Tour (4 Hour)

After departing from Kusadasi, we will drive for about 30 minutes to arrive in Sirince Village. The old-fashioned stone-and-stucco houses have red-tile-roofs. Good bargains are to be found here for souvenirs or local handicraft, and taste the local wine or drink a cup of Turkish coffee or tea in a traditional village coffee house. On the way back to Kusadasi a short stop in Kirazli village for an opportunity of local contact with friendly and hospitable villagers. You could even take a walk among the nearby hillside vineyards and orchards. This is the tour to see how Turkish villagers live. Then drive back to your cruise. After the tour if you would like to do some cheap shopping just tell your guide and they will happily arrange this for you. We hope your tour was a memorable one and we would like to see you in the future in one of our tours again.
